## **Excursion on bicycle planning and bicycle infrastructure in Amsterdam**

The Project office of Fietstersbond Amsterdam (Cyclists' Union Amsterdam) offers guided tours on bicycling in Amsterdam. They will concern technical facilities as well as policy on cycling and traffic in Amsterdam.

The tour is guided by a professional guide, trained in bicycle traffic planning and well informed on Amsterdams' cycling facilities and traffic policy. The tour will include technical information. A presentation/discussion can be part of the excursion.

### **Details about the tour**

- Tour, explanation and discussion take (in principle) about 2,5 hours
- the route can be adjusted to customers preferences  
(see for instance the list below)
- the tour costs € 250,- excl. 19% VAT (in total € 297,50) (or more if the trip is longer)
- this amount is to be paid cash at the excursion
- max. 15 participants per guide
- the professional guide will take good care about safety and will chose a safe route
- participants cycle at their own responsibility
- rental of bicycles is to be arranged by the customer themselves and not included in the price. Bikes can be rented at many places. For instance: [www.macbike.nl](http://www.macbike.nl) or [www.orangebike.nl](http://www.orangebike.nl) or [www.yellowbike.nl](http://www.yellowbike.nl) (and more)
